

February 2019

We would like you to know how much we appreciate your residency with us and hope that you will decide to continue making U-Heights your home in 2019.

We are now leasing for the 2019-2020 season and preparing renewal leases as well. We would be happy to prepare a renewal for you! Please feel free to come in to discuss your renewal or ways that we can better serve you this year!

We are hoping that the groundhog doesn't see his shadow and for an early spring. Please continue to be prepared for any inclement weather.

We love our residents and to show you we are giving away a romantic dinner for two. Fill out your raffle ticket in the leasing office by February 13th.

Please stop in the leasing office on Valentine's Day for some special treats!!!

We love our residents!!
